**STAND FOR  
PENRITH TOWN COUNCIL  
IN THE MAY 2019 ELECTIONS**

You don't have to be interested in politics or be a member of a political group to become a Penrith Town Councillor.

A passion for Penrith and a desire to make a difference are the key attributes to joining the Council.

It takes all sorts of individuals from different parts of the community, of different ages with different life experiences to become a councillor.

As a councillor, you can become a voice for your community and affect real change.

Town councillors are the most local part of our democratic system and are closest to the public.

No special qualifications are needed, and the most important thing is to have a keen interest in Penrith and be prepared to play an active part in the Council's work.

Have a look at the Penrith Town Council website which provides information on the committee structure, frequency of meetings and the activities the Council has been involved in. We also have a Facebook page which you can follow.

If you want to know more about being a councillor please come and talk to us. We are open to the public Monday to Friday 9am to 1pm.
