

Approved Contractors List

The Council is inviting suitably qualified and experienced contractors to apply to go on the Approved Contractors List to undertake a range of services.

The Council's Procurement Policy sets out that the Council will purchase locally wherever possible and where best value can be satisfied. The Council will primarily use service providers from within the parish of Penrith and the district of Eden.

Interested applicants should visit the Town Council website for further information and to access an application form. www.penrithtowncouncil.co.uk

Applicants who are successfully placed on the Approved List will be notified in writing. The approved list will be effective for a period of 4 years.

Contractors who are currently undertaking works for the Council will automatically be included on to the Approved Contractors List and they need not apply.

For further information contact the Services and Contracts Manager by email somanager@penrithtowncouncil.co.uk

The closing date for the receipt of applications is 31 May 2019.
