BLOOMING MARVELLOUS

PENRITH IN BLOOM

Penrith has been selected again to take part in the regional and national competitions for Cumbria in Bloom and Britain in Bloom 2019, after Penrith's amazing success last year.

As in previous years, Penrith Town Council will coordinate projects throughout Town including the planting of new trees, funding planters, supporting Great Dockray residents and businesses develop their Richard III events and an after school gardening club at St. Catherine's RC School.

Penrith volunteers are preparing and have started developing creative themes such as "Seedy Saturday" which encourages everyone to share seeds, floral and edible plants and their knowledge.

Penrith's edible trail began 6yrs ago and is being extended this year to encourage people to grow their own vegetables

and fruit and how they can use this produce in healthy meals.

Penrith Business Improvement Districts are starting their greening projects and are developing new planting themes around Town, replacing trees that have been removed by donating apple trees to local schools and planting fruit and walnut trees.

Penrith Methodist Church are hosting a "Sew to Grow" weekend of plant exhibitions related to heritage, remembrance and history and Penrith and District Gardeners and Allotments Association chaired Gardeners Question Time.

None of this would be possible without our amazing volunteers who work with passion to Keep Penrith Tidy, inspire others, and improve the quality of life we enjoy in Penrith.

If you would like to meet with any of your Councillors, please contact the office and make an appointment by calling 01768 899 773 or email office@penrithtowncouncil.co.uk. Your ward councillor details can be found on our website.
