Press Release: Wednesday 31st July 2019

'Penrith Town Council is consulting the local community on its Business Plan 2019-2023'

Penrith Town Council is consulting on each of six priorities in its Business Plan 2019-2023. The Business Plan will influence the budget process and resource allocation of the Council.

The Plan is flexible in order to meet changing demands as the District Council further devolves services. It has also accommodated emerging feedback from the information gathered from the Statutory Regulation 14 consultation for the Penrith Neighbourhood Development Plan.

The Town Council hopes all residents/stakeholders in the local community will give their views by completing the Survey, which is available in hard copy from the Council Offices, Unit 1 Church House, 19-24 Friargate CA11 7XR, and from Penrith Library. It is also available to complete online at <https://cumbria.citizenspace.com/other-public-sector/penrith-town-council-business-plan-2017-2023/> and to download from the 'Your Say' page of the Town Council website at www.penrithtowncouncil.co.uk. The survey will be open for completion between 1st August and 9th September.

After the consultation closes, a report including the analysis of public feedback will be provided to full Council at their meeting on 23rd September. When the Plan is formally resolved by full Council, it will be used as a formal document.
