

# **PENRITH 2030**

## **A CARBON NEUTRAL TOWN**

### **CLIMATE AND BIODIVERSITY IN CRISIS**

**We need to change every aspect of how we live, build houses, travel, eat, produce food, consume energy, how much waste we create and how we manage it.**

**Local action is needed by every individual and community.**

**PENRITH IS NO EXCEPTION!**

Take part in the conversation at:  
<https://yourideas.penrithtowncouncil.co.uk>

**Read our 'challenge' to kickstart the Climate Change conversation, then comment on the starter 'ideas' in the boxes or add your own 'new idea'**

We recognise that not everyone will have devices to communicate online. So, if you can't use the online method described in the link above but would like to find out more about climate change in Penrith or would like to contribute to the conversations, please contact the Town Council.
