Detailed Explanations:

Box 3: Other Income	Variance £
In 2021-22: reduction in CTRS grant from Eden DC £278, increase in investment income £127 due to higher invested balances, grants of £3,863 from Eden DC and Cumbria CC towards the purchase of speed indicator devices.	3,712
In 2020-21, pandemic related grants/contributions totalling £6,500 were received from Eden DC, Cumbria Community Foundation and Cumbria CC. In 2021-22, grants totalling £7,990 to help the community and businesses recover from the effects of the pandemic were received from Cumbria CC.	1,490
In 2020-21, the Council received £1,000 from Cumbria CC as a contribution towards planned events, and a £7,718 contribution from Penrith BID towards Greening activities and community grants. There was no similar income in 2021-22.	(8,718)
The Council has an ongoing programme of transferring assets from Eden DC. To assist in a smooth transition, the assets are supported in the first four years by a tapering grant from the District Council towards running costs. Tapered grant reductions in 2021-22 comprised War Memorial £25, Benches £210, Bus Shelters £365, Bandstand £799, Musgrave Monument £175 and Fairhill Park £3,304. In 2021-22, the Council received extra income of £1,159 for memorial benches and £500 for use of the Bandstand.	(3,219)
Recharges of £645 in 2020-21 for maintenance work at Fairhill Park were not repeated in 2021-22.	(645)
In 2020-21, the Council completed a major grant aided capital project to improve the play area at Fairhill Park. Grants totalling £63,288 were received in that year and none in 2021-22.	(63,288)
During 2021-22, the Council negotiated a wayleave with Northern Gas Networks to lay pipes across land at Thacka Beck. This wayleave produced income of £4,721. There was no similar income in 2021-22.	(4,721)
Total Increase in Box 3: Other Income, as above	(75,389)

Box 6: Other Expenditure	Variance £
In 2021-22, the Council purchased speed indicators at a cost of £11,651, partly grant funded.	11,651
Planning services expenditure reduced by £1,369 as the Council's Neighbourhood Plan neared completion.	(1,369)
In 2020-21, the Council had one-off set up costs of £1,969 for its Climate Change initiative.	(1,969)
Expenditure on projects to benefit the Town increased by £3,997 in 2021-22, including Christmas events and a marketing strategy.	3,997
In 2020-21, the Council spent £13,126 supporting its community as a response to the Coronavirus pandemic. This expenditure reduced to £1,081 in 2021-22, relating mainly to meeting expenses.	(12,045)
In 2020-21 the Council paid £2,484 for initial work on an arts and cultural strategy. Similar costs in 2021-22 totalled £516, while £215 was spent on arts development and £1,470 on three Jubilee beacons.	(283)
Expenditure on Greening/Bloom activities reduced by £880 in 2021-22.	(880)
