Site address:	LAND AT CARLETON PENRITH
Description:	Variation of condition 2 (plans compliance) to change the house types for plots 8 and 53 from Dee bungalows to Tay dormer bungalows, attached to approval 20/0995.
Response:	RESOLVED THAT a response be returned to Eden District Council Objecting to the application on the following grounds: The Town Council's housing survey for the NDP carried out in 2018 shows a requirement for affordable bungalows. The reason for the need for affordable bungalows is that elderly people (and we have the most elderly population of any county in the UK), or those with a family member who is disabled, do not wish to have their master bedroom, or any rooms at all, upstairs. The stairs are clearly the issue. There is an abundance of affordable homes with stairs currently being built within Penrith.
